TEAM SCORE COMPETITION

All teams will start at 1100 – mass start – handicap will be subtracted from finish time to give final position

Handicaps are calculated by taking the total team handicap

For the Senior and Vets (M/W 60+) race add together the following handicaps then divide by three.

BOF AGE	Handicap	BOF AGE	Handicap	BOF AGE	Handicap
M10	17	M55	10	W21	4
M12	15	M60	11	W35	8
M14	12	M65	13	W40	12
M16	6	M70	16	W45	14
M18	2	M75+	19	W50	17
M20	1	W10	17	W55	19
M21	0	W12	16	W60	22
M35	3	W14	14	W65	25
M40	5	W16	11	W70	28
M45	6	W18	8	W75+	31
M50	8	W20	5		

As an example: a Senior team consisting of an M40, W50 and W55 competitors would have a total handicap of $(41 / 3) = 13$ minutes 40 seconds

A **registration form** (available on the morning) must be handed in to the registration tent if you have not already declared your team **at least 30 minutes before your due start time.**

Competition Rules:

All members of a team punch at the same time and will be handed 3 maps. The map will show a set of "Spine" controls which **ALL** team members must visit and a set of additional controls, which must be visited by at least one team member.

Teams will be given a **Penalty** in the event that:

1. one or more of the team does not visit all spine controls – **20 minute penalty for each control missed**
2. one or more controls is not visited by at least one team member – **10 minute penalty for each control missed**
