

CHRISTCHURCH MAPRUN NOTES.

Easiest Parking is at Mayor's Mead Car Park adjacent to the Start. Cost is £2.30 for 2 hours. There is very little free parking anywhere in Christchurch unless you want to walk from Kings Avenue or somewhere nearby.

I have tested the course and all pinged apart from number 4 but suspect my track was off on my phone so hopefully you won't have any problem.

Please take care crossing the main road which passes through the centre of Christchurch as it can be pretty busy. And ensure you use the north side of the road when heading east over the two branches of the Avon.

And have fun.
