

**Wessex Night League 22-23 - HANDICAP LEAGUE Results Summary**

Notes: The Handicap Factor is applied to the 'Rate' of Point Collection. Eg 430 points in 59:30, is a Rate of Collection of 8.163 points per minute.

A minimum time of 50 mins is applied to the calculations, ie, if someone finishes the event in 37mins, it is 50mins that is used for the Rate calculation.

If, on the rare occurrence, the winner of the event collects all points (500) in less than 50 minutes; then that winning time will be the minimum applied to the Rate calculations.

To qualify for the League and appear on this table, a minimum of 2 events must have been participated in.
