

Wimborne Orienteers invite you to try

Orienteering at Bovington based at Babcock Engineering's car park

Sunday 22nd February

Registration from 11:00 to 12:00

An event for everyone - free of charge - ideal for families - help available for newcomers - come and have a go!

Enquiries: Rob Mills 07444-600108 or email robmills372@gmail.com

There is ample free parking at Babcock Engineering's car park at Bovington.

Registration will be located in the car park with the start and finish a shortish walk from the car park. Members of Wimborne Orienteers will be available at Registration and the start to provide help & advice.

You'll be given map(s) and an electronic 'dibber' to record control points you find.

There will be two courses on offer:

- 1) A short course (Yellow), aimed at families with young children and people looking to walk around the course
- 2) A longer course (Red), aimed at older children and adults who want a longer activity and are looking to jog or run around parts of the course

The courses will be located in the forest west of Bovington. You should wear suitable clothing and footwear for an outdoor activity which might involve getting a little wet and muddy depending on the weather.

Toilets and a catering van will be available at the car parking.

We thank Forestry England and Babcock Engineering for supporting this event.
