Safety Instructions

- It is June! Take care in the hot weather. Wear hats, sunscreen and carry water if necessary.
- Under 16's to run with an adult please. Merley is a busy estate, and care should be taken at all times. All roads are 20 or 30 mph limit.
- **Canford Magna** heads South from the recommended parking area on Oakley Ln to the junction of Magna Rd & Queen Anne Drive. This road is a 30mph limit with traffic calming, but limited pavement, and often parked cars on either side.
- Beware of the shaded section at the southern end of this road (near Control 32). **Cars may not be able to see you if you are wearing dark clothing.**

I recommend wearing an item of Hi-vis clothing

General

- Do not run past the Finish control once you have started. (You may run back past the start without issue).
- The large hashed (OOB) area to the north of Oakley Ln has undergone extensive development since this area was mapped. It should still be treated as **Out of Bounds**. There are no controls in this area, and much of it is still a construction zone.
- The control descriptions are slightly smaller on the A4 version. You may wish to print loose ones (provided).

Good Luck!!
