

Welcome to Ringwood MapRun May 2025.

Planners notes.

Correction. The description for Control 16 is incorrect. It is a path junction, not steps

Start and finish are close to Blynkbonnie car park, Christchurch Road. Post code : BH24 1DN. The Furlong, the main car park in Ringwood is a short walk away. Post code BH24 1AT. Both are pay when you park at £ 3.10 for two hours.

The start is at the east end of Blynkbonnie car park. Take care not to trigger your start inadvertently. Avoid the finish on your way until the end.

Ringwood can be very busy with traffic so take care when crossing roads.

Quiet time is on Sunday and to a degree Saturday later in the day. Do avoid the A31 completely.

This runs E/W at the north limit of the map.

The footpath to control 21 now has a further two kissing gates.

It is recommended that you don't allow them to delay you!
