Organiser points are equal to the highest non-organiser score achieved by that competitor in the season. (Or 2nd highest for a second set of organiser points)

Age Class shown is the class at the first event completed. Speed ratios are calculated on exact age (where known from BOF rankings) at the end of 2025.

Only competitors who have attended more than one event are shown.

A higher rate of bonus points has been applied to Meyrick Park due to the short times.
